BOYS & GIRLS CLUBS
OF FREEPORT & STEPHENSON COUNTY

PREFACE

Where can I go to ...

What is there to do ...

How can I

Where do I go if I need a ...?

These are all questions that youth could be thinking.

The Community Youth Services Project of Freeport, Illinois compiled the resources that YOUTH ages 11 to 24 may want to access. The Freeport CYS Youth Committee looked at current resource guides and thought about what resources they would use or need the most.

This guide lists the resources in or near Freeport, Illinois that are of most interest to youth. We must extend credit and our unending gratitude to the Freeport Health Network. Their D.O.T.S. Community Resource Database available online 24/7, updated twice a year, and is searchable by categories. <https://www.fhn.org/dots-community-resources.asp>

Our entries are taken from their database and include links to information and even location information.

Because of COVID-19, some of the information and availability of resources may have changed. Please check the availability of services, hours of operation, and COVID requirements before going to the location.

The Freeport Community Youth Services project is coordinated by the Boys and Girls Club of Freeport and Stephenson County through funding from the Division of Family and Community Services of the Illinois Department of Human Services, Community Youth Services Award ID 846-17097.

We hope you find our Youth Resource Guide helpful.

By the Freeport CYS Youth Committee
